

Privacy Policy

Last updated: 04/07/2026

Note for review — delete before publishing. This draft is written for GATE Edutech Solutions Pty Ltd and covers the website thekidsgate.com and the Kids Gate mobile apps across Australia, the United States, Indonesia, and Thailand, with a GDPR-style baseline for any EU/UK visitors. Items in brackets still need final technical confirmation from the development team.

The short version

Kids Gate is a learning platform for children aged 5–12. Below is a plain-language summary of our privacy commitments.

- **Parental Control:** A parent or guardian creates and controls the account. We do not knowingly allow children to sign themselves up.
- **Minimal Data:** From a child, we collect only essentials for lessons—first name or nickname, age or grade level, and learning progress.
- **Adaptive Learning:** We use child performance data to automatically personalize their learning path. We do **not** use children's data to train external AI models or for advertising.
- **Ad-Free Experience:** The platform is entirely ad-free. We do not sell or share personal information for marketing purposes.
- **Your Rights:** You can view, correct, or request the deletion of your child's data at any time via  Person at support@thekidsgate.com.

1. Who we are and what this policy covers

This Privacy Policy explains how **GATE Edutech Solutions Pty Ltd** ("Kids Gate", "we", "us", or "our") collects, uses, and protects personal information. It applies to our website and the Kids Gate applications for iOS and Android.

2. Information we collect

2.1 Information a parent or guardian provides

- **Account Details:** Name, email address, and login credentials.
- **Payment Information:** Subscriptions are processed through third-party providers. We do **not** store full credit card numbers; we only receive transaction confirmation.
- **Child Profile:** First name or nickname, and age/grade level.

2.2 Information collected from a child

- Lessons and quizzes completed.
- Accuracy, learning progress, and mastery levels over time.
- Achievements, tokens, and rewards earned.

2.3 Information collected automatically

We automatically collect technical usage data, including:

- Device information and identifiers.
- IP address and general network information.
- Session data and features used within the app.

3. How we use personal information

We use personal information to:

- **Provide the Services:** Manage accounts and deliver tailored lessons.

- **Personalize Learning:** Use automated systems to adapt lesson difficulty based on a child's performance.
- **Operate Rewards:** Manage the token system to encourage student engagement.
- **Security:** Detect and prevent fraud or unauthorized access.

4. Children's privacy and parental consent

Protecting children is our highest priority. Kids Gate is designed for children aged 5–12 and requires setup by a parent or legal guardian.

Verifiable Parental Consent

We obtain consent through:

1. The parent creating and controlling the account.
2. Completion of a paid subscription (a recognized method of age verification).
3. Verification via the parent's registered email address.

Parental Rights

Parents may at any time review, update, or request the deletion of their child's information by contacting support@thekidsgate.com.

5. Security and data retention

Security Measures

We implement rigorous technical and organizational measures, including:

- **Encryption:** Data is encrypted both in transit and at rest.
- **Access Control:** Role-based permissions limit staff access to sensitive child data.
- **Secure Hosting:** Data is stored using secure cloud infrastructure providers.

Retention

We retain personal information only as long as necessary for the purposes described. Learning data is generally deleted within 60 days of account cancellation unless required for legal or tax obligations.

6. International data transfers

As an Australian company, your personal information may be processed in Australia or other countries where our service providers operate, such as the **United States**. We use recognized transfer mechanisms, such as Standard Contractual Clauses, to ensure data protection levels meet global standards.
